Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Sunday 24 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Isolated showers overnight. Breezy and mild next week.

This Evening and Tonight:
A mixture of clear spells and well-scattered showers through the evening and overnight. Most of the showers will be in the west, with many eastern areas staying dry. Minimum temperature 9 deg C (48 deg F).

Monday:
A bright start for many, before a scattering of heavy showers develop by lunchtime. That said, a fair number of places should remain dry. Still breezy and relatively mild. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:
Fresh winds likely on Tuesday with isolated outbreaks of rain at times. Conditions remaining similar into Wednesday and Thursday. Mild for the time of year, particularly overnight.
